

Welcome to the 2010-2011 school year at St. Pat's!

We would like to tell you about a great program here at school called Market Day.

As a parent, I am always looking for ways to help our school and parish be successful and prosper. That is one reason that I got involved with Market Day. Christa Richard and I are the volunteer chairs of the Market Day program. I would like to give you a brief overview of the Market Day program.

Market Day is a program that sells food, something that we all need and use! They offer many restaurant-quality food products. Many upscale restaurants purchase from Market Day. These fine products are competitively priced and offer a 90-day money back satisfaction guarantee!

Last year we raised **\$4,010.78!** We earned this money without our students going door-to-door, without purchasing products we wouldn't ordinarily purchase, and with the knowledge that all products are of exceptional quality and covered by a Satisfaction Guarantee!

This year, our goals are to increase our sales and continue to support our 5th & 6th grade students for camp.

We are confident that this fundraising program will not only benefit our school and the programs we support, but will also benefit you as the consumer.

The success of our Market Day program depends on your help. All we ask is that once a month you look at the order sheet and consider ordering. There are three easy ways to order.

You can find out more about Market Day and even place your order online at www.marketday.com. Our Market Day account # is 11459. Register your e-mail address to receive reminders to order and receive special offers for online customers. You may fill out the order sheet and hand it into the office in your weekly school envelope, and we will enter your order for you. You may also contact Amanda Turner to help place the order.

Payment can be made online with a credit card, handed in with your order prior to the sale with a check or cash, or at Market Day pick up time by a check or cash.

The orders are usually due on the 3rd Monday of the month and delivery on the 3rd Wednesday. Reminders for the dates are on the back of the order forms.

Thanks in advance for your help. We hope to continue to support many projects with the funds earned through Market Day. If you have any questions, please call: Amanda Turner at 419-367-9200 Christa Richard at 419-262-0284.
