

MEMORY BOOK PICTURES

We are beginning to prepare for the class Memory Book and need you to gather pictures. We would like everyone to be included, so whether you've been here since pre-school or just a year we would like pictures from you.

Please make sure your name is on the back of your pictures so they can be returned once we have scanned them. If you are able to scan them to CD it would be much easier and your CD will be returned.

The following three pictures are a **MUST** from each child; Baby picture; young picture (K-1st grade); & current picture (within last year).

The following are optional but would be greatly appreciated; class field trips; scouts; sports; school fun; camp, etc.

Please return your pictures in this envelope no later than **Friday, February 5th**. Remember to label all of your pictures/CD so they can be returned when we are finished.

MEMORY BOOK ADS

At this time we are also asking each family to place an ad in the Memory Book. Attached are samples to give you an idea with your ad. The ads are printed two to a page so please adhere to the outline given on the attached page. The ads will be printed in black & white.

The cost is \$10.00 and this is to help defray the cost of the Memory Book (printing, binding, etc.) We may only accept one ad per family. If you are a computer person the outline will be available on the St. Pat's website: www.toledostpats.org under the School - Graduation link. Once you have designed your ad you may attach it to an e-mail and forward to graduation@toledostpats.org this will actually make for a much cleaner and better looking ad. Please remember to submit your \$10.00!!

We would like to have your Memory Book ad no later than **Friday, February 26th**.

If you have any questions please let us know.
