

Dear 8th Grade Students & Parents:

We are not only committed to educating our students but also instilling in them the teachings of Jesus. Doing service is one of the ways Jesus gave of himself and therefore we require each 8th grade student to perform at least 15 hours of service.

Service can be done in a variety of different ways. It can be done within the St. Pat's community or by volunteering elsewhere in the community.

Some examples are:

Nursing homes; yard work for neighbors; mentoring younger students; Parish festival, etc.

You may begin to complete hours starting the day after you have completed your 7th grade year (June) and must be completed and turned in to the school office no later than May 1st in order to participate in the graduation activities/ceremonies.

Attached is the form that you will need to turn into the school office once your hours have been completed.

Should you have any questions please contact the school office or via email at graduation@toledostpats.org.
